# About Camps

We're not like other school expedition providers. As a social enterprise, we are driven by our strong sense of purpose, which forms our foundation and determines every aspect of the way we operate.

Since 2002, Camps International have grown from supporting a handful of communities in rural Kenya to now running hundreds of community, wildlife and environmental projects across seven different countries.

170 Staff Worldwide

390+ Sustainable projects completed so far

7 Countries with permanent camps

# Sample Itinerary

DAY	ACTIVITIES	MORE DETAILS
Day 1	Arrive in Kota Kinabalu	Arriving in Kota Kinabalu, you will be transferred to your hotel for an expedition briefing. You will then head out to lunch in the town followed by some time to explore the area. Dinner will be had at a traditional local restaurant before you head back to your hotel for the night to get a good night's sleep.
Day 2	Arrive at Mamutik Island	After breakfast at the hotel you will meet the rest of your group in the lobby before taking a boat ride over to Mamutik Island. Here, you will settle into your new hotel and have an arrival briefing. You will then have your very first PADI class with a break for lunch in between lessons. After your scuba class, dinner will be served on the island before heading to bed back at the hotel.
Day 3 – 5	Scuba diving	You will have 3 days of PADI lessons where you will learn the basics of scuba diving with the opportunity to go diving off around the islands of TARP. The Tunku Abdul Rahman Park Islands (named after Malaysia's first Prime Minister) are a haven for marine wildlife with crystal-clear waters and coral reefs. Lunch and dinner will be provided.
Day 6	Coral Reef Conservation Specialty Course	This morning you will enjoy your final breakfast on the island before taking part in project AWARE which is PADI's Coral Reef Conservation Specialty Course. Through classroom discussions, you will learn: – How coral reefs function and the complex nature of life on a reef – Why coral reefs are so important – Why many coral reefs are in serious trouble – What you can do to prevent further decline – How Project AWARE unites divers and water enthusiasts to make a difference. You will then have a delicious lunch on the island before transferring via boat back to Kota Kinabalu and head to the airport for your flight to Sandakan. Upon arrival, you will check into your B&B hostel at Sepilok before meeting for dinner.
Day 7	Sepilok Orangutan Sanctuary	Today you will be visiting the orangutans and sun bears. After breakfast at the hotel, you will head to Sepilok Conservation Sanctuary where you may get the chance to see the orangutans and sun bears up close. After lunch at Sepilok, you will be transferred to the airport for your flight to KK. Upon arrival (time permitting) you will proceed to have a tour of the city before checking into the hotel, having your final dinner in town, then heading to bed.
Day 8	Departure	Breakfast will be at the hotel before you say your final farewells and head to the airport for your flight home.

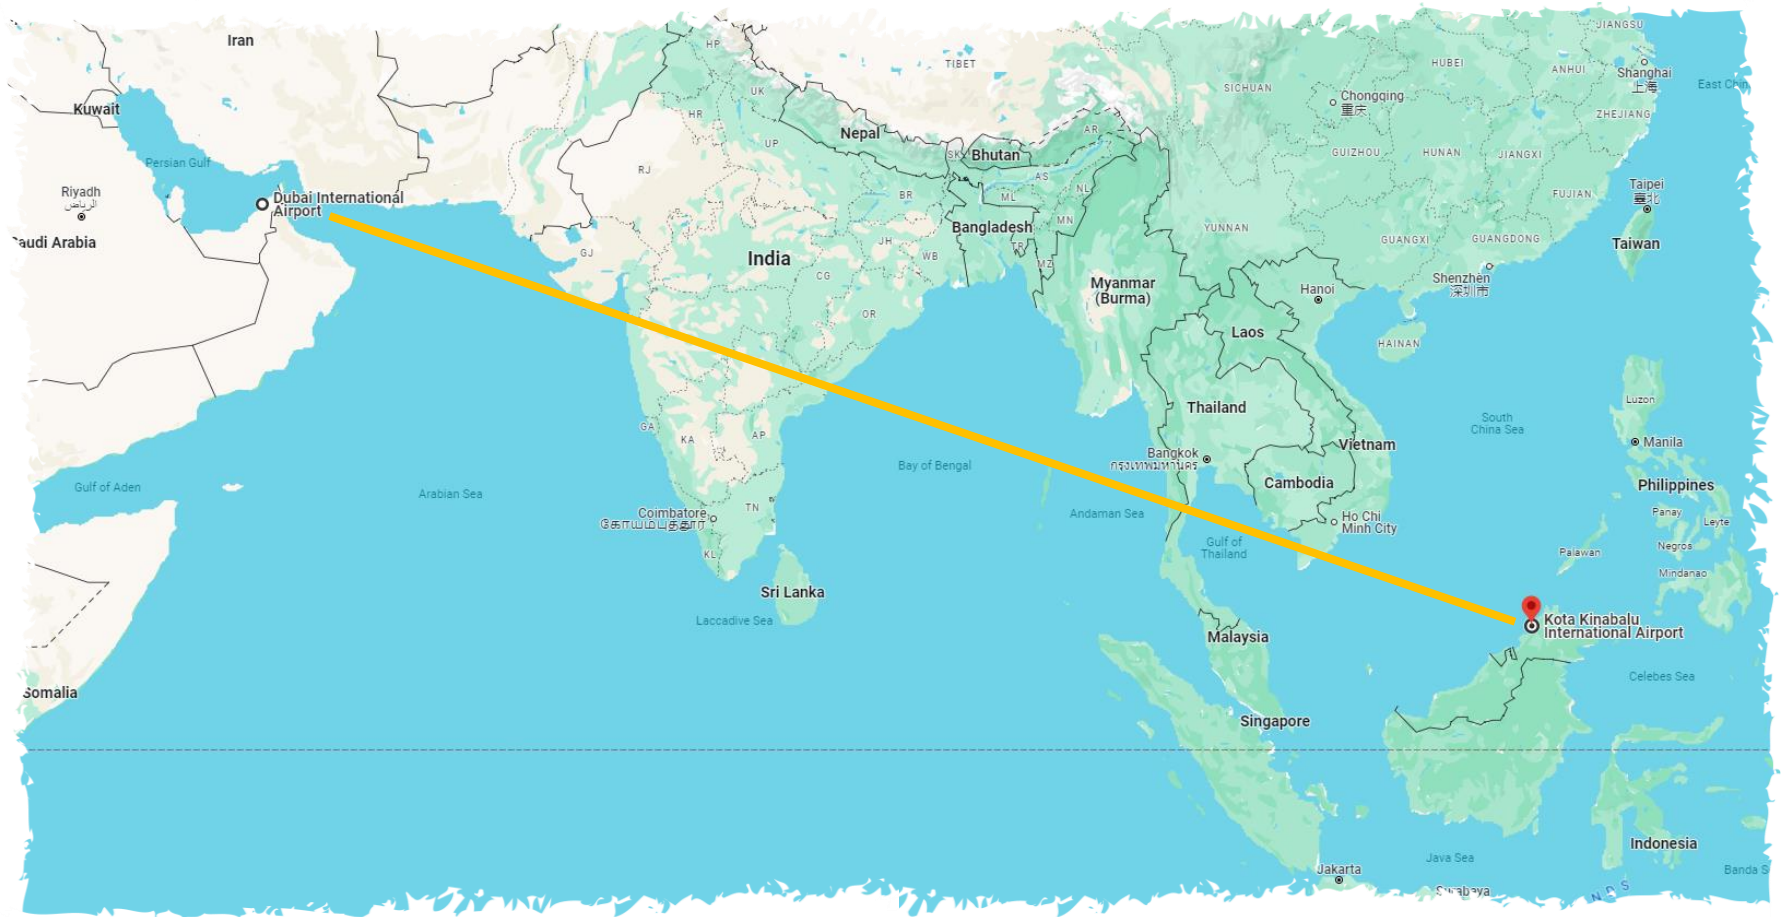

Day 1

# Flight

Airline: TBC

Duration: 10 hours

# Kota Kinabalu

Transfer to Hotel for Expedition Briefing before enjoying lunch.
