Cutting edge scientific research and career insights at one of the leading research institutes in the world

International Diplomacy:
Discover about international relations to gain more knowledge about current world issues

Humanitarian Awareness:
Expand your humanitarian knowledge through learning about global awareness

Day Wise Program

Day 1

Arrival in Geneva

Welcome to the beautiful city of Geneva

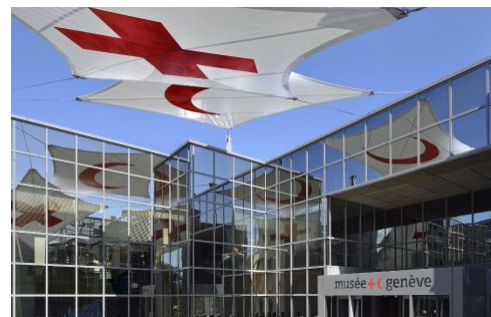

Red Cross Museum

Witness the dynamic work that Red Cross Organization has undertaken throughout the world. Explore the museum's exhibits, which offer insight into the humanitarian work of the Red Cross movement, including its history, principles, and global impact

Jet d'eau

Witness the famous fountain attraction at Jet D'eau make your way to the iconic Jet d'Eau, one of Geneva's most famous landmarks. Located on Lake Geneva, the Jet d'Eau is a large fountain that shoots water 140 meters into the air, creating a spectacular sight against the backdrop of the lake and the Alps.

Transfer to hotel & check-in

Day 2

CERN

- Benefit from a guided visit that explores the complex tools used by physicists to study particles
- Witness protons injected into the LHS through a hydrogen bottle and experiment with proton collisions by using a particle accelerator at the Microcosm exhibition

United Nations

Learn about the activities of the United Nations and about how the UN impacts your life, among the people who make it happen. You will also discover the Palais des Nations, a unique building, formerly the headquarters of the League of Nations.

Old Town

Explore the charming Old Town of Geneva. Wander through its narrow cobblestone streets lined with historic buildings, quaint boutiques, and cafés.

Day 3

Day trip to Gruyere

Gruyeres Castle

Take a guided tour of the castle to learn about its history, architecture, and the lives of its former inhabitants

Maison Cailler - Chocolate Factory

Explore the Maison Cailler chocolate factory and learn about the history of chocolate-making in Switzerland. Take a guided tour to see the chocolate-making process firsthand, from cocoa bean to delicious chocolate bars. Don't forget to indulge in some chocolate tasting!

OR

Cheese Factory

Discover the art of Swiss cheese-making and learn about the production process behind famous Swiss cheeses like Gruyère. Enjoy cheese tastings and perhaps even try your hand at making cheese

Day 4

Day trip to Vevey/ Montreux

Chateau De Chillon

Explore this medieval fortress, which is one of Switzerland's most iconic historic landmarks. Take a guided tour to learn about the castle's rich history, including its role in Swiss history, its architectural features, and its connection to literary figures such as Lord Byron.

Charlie Chaplin Museum

Experience the world of Charles Spencer Chaplin at his former house and end the day with souvenir shopping. Discover exhibits dedicated to Chaplin's life and career, including his iconic films, personal belongings, and memorabilia.

Shopping in Vevey

Explore the charming streets of Vevey's old town, where you'll find a variety of boutiques, galleries, and specialty shops offering everything from Swiss chocolates and cheeses to unique souvenirs and gifts.

Day 5

Day trip Day to Zermatt, Matterhorn Glacier Paradise

Visit to Zermatt

Embark on an unforgettable adventure to the majestic Swiss Alps.

Arrive in the charming village of Zermatt, where a breathtaking beauty experience awaits you. Admire the iconic silhouette of the Matterhorn dominating the landscape. Zermatt is a postcard-perfect Swiss village complete with charming wooden chalets and snowy mountains dominating the landscape and stellar Swiss engineering enabling you to visit those mountains with ease!

Matterhorn Glacier Cable Car

Does a trip to the highest cable car station in Europe sound thrilling to you? How about having 360° views across the Alps?

On this visit, you will ride a series of cable cars to the highest station in Europe and get panoramic views over the Alps. Matterhorn Glacier Paradise is an amazing experience offering views of Alpine ski slopes, panoramic vistas, ice carvings, and a unique view of the Matterhorn.

Once at the top, marvel at the panoramic views of 38 majestic Alpine peaks from the French, Italian, and Swiss Alps, as well as exploring the narrow streets of Zermatt, where traditional wooden and stone houses tell the village's centuries-old story.

Evening return to the hotel for some well-deserved rest.

Day 6

Day trip to Lausanne and Departure

The Olympic Museum

The Olympic Capital, Lausanne has been home to the IOC (International Olympic Committee) for 100 years and in 1993, the IOC founded its unique official museum on the banks of Lake Geneva.

The Olympic Museum, located in Lausanne, Switzerland, is home to the world's largest and most comprehensive Olympic collection. Immerse yourself in the exhibitions, take part in cultural and educational activities, and experience the excitement of the Olympic Games. The flame is yours!
